

Lemington Reserve Newsletter Number Two

Let's meet up – trappers, weeders and planters

Please join us this **Saturday 11 June, 4.30 - 6.00pm** for cake, coffee and wine. Our address is 17 Faulder Ave, Westmere. 027 656 7099. If you are able to come can you please let us know.

Trapping record

Attached is the graph for our catches to date. Interesting to see which traps are attracting most rats. Congratulations to Vaughan for his placement of Trap X which lies off the path beyond the walkway. In just over two weeks, 4 rats have been caught. Also the resited trap 7 has now caught its first rat.

Weeding

The next weeding session is **Sunday, 19th of June at 10.30, meeting at the bridge.** If you are coming can you please let us know so that we know how many Cut'nPaste tubes we need to bring. Also please let us know if you need a pair of secateurs. We have a number of them supplied by the Council. It is worth bringing gloves and have sturdy footwear as some of the weeds to be attacked are in the wet area.

Future weeding days:

Sunday 19 June, 10.30 – 12.30

Sunday 7 August, 10.30 – 12.30

Sunday 4 September, 10.30 – 12.30

Planting Day

As you know **Saturday, 2 July, 10.30 – 12.30** is our planting day this year. **Sunday, 3 July** can be the rain check day and if that fails we will go for **Saturday 9 July!** If you would like to help with the planting, could you please let us know.

Ngā mihi nui,

Alistair and Shona
